

# JOIN US WHERE **MEDTECH REDEFINES** THE FUTURE OF HEALTH CARE

In a time of rapid health care innovation and shifting global policy, **The MedTech Conference, hosted by AdvaMed, The Medtech Association, will address the most pressing issues impacting the medtech ecosystem.** This year's conference offers an all-in-one platform for critical conversations that redefine the future of health care.

Join thousands of industry leaders **October 5-8, 2025 in San Diego, California** for direct access to hundreds of hours of timely medtech education, networking with industry leaders and CEOs, and the latest in medical technology and innovation.

## **EDUCATION**

Enjoy hundreds of sessions and speakers dedicated to AI, digital health, imaging, patient health, and top trends across 20+ topic areas, alongside exclusive access to hundreds of company presentations.

## **NETWORKING**

Forge invaluable connections with top and emerging companies, engaged investors, and others alongside a diverse medtech c-suite, offering unique access to thousands of partnering meetings and fun networking opportunities.

## **MEDTECH CAMPUS**

Immerse yourself in technology showcases, live sessions like CEOs Unplugged and Patient Stories, an expanded Career Hub, Medtech in Motion Tech Hub, and special programming across three stages for start-ups and emerging companies.

The MedTech Conference is where global medtech professionals connect from all across the industry to tap into the community's strength and knowledge and pave the way for the future of health care.
