

Affiliated Event Guidelines & Approval

We're thrilled by your interest in hosting a meeting or event in conjunction with our conference, October 5 – 8, 2025 in San Diego. The MedTech Conference invites affiliated organizations, sponsors, exhibitors, and media to convene and host functions during approved dates and times.

To ensure the seamless integration of your event with The MedTech Conference, we have established guidelines for affiliate events.

What is an affiliate event?

An affiliate event is any meeting or gathering held in conjunction with The MedTech Conference by an organization other than AdvaMed. Participants from organizations hosting affiliated events must be registered for The MedTech Conference. All affiliate events must receive approval from us, regardless of the meeting location.

Affiliate events include, but are not limited to:

- Exhibitor or sponsor meetings
- Member meetings
- Social networking events
- Alumni events
- Staff and sales meetings
- Committee and board meetings
- Disclosure meetings as required by the U.S. SEC

In general, the following activities are not permitted:

- External education/company presentation/scientific programs
- Content resembling existing the education at The MedTech Conference
- Satellite symposia
- CME or CLE programs
- Distribution of promotional material (e.g. fliers, room drops)
- Sales presentations and equipment demonstrations (which should only be conducted in your booth space in The MedTech Campus).
- The MedTech Conference strictly forbids outboarding and suitcasing, which is the act of soliciting business in the aisles during the exhibition or in other public spaces by non-exhibiting or sponsoring companies, including using another company's booth or lobby spaces.

To host an affiliate event, please adhere to the following guidelines:

- Submit an official request [here](#) and receive approval prior to promotion and implementation of the event.
- Do not overlap with designated The MedTech Conference programming. Please refer to the event program on our website.

- Pay for all associated event costs (food and beverage, av, room rental, etc.) and use the official vendors of The MedTech Conference for all activities hosted at official event venues.
- Promotional materials must not imply official endorsement by The MedTech Conference or that the event is part of the official activities of the conference.
- Once approved, affiliate event organizers will receive an official logo for marketing purposes and may request inclusion in our conference schedule.
- Signage is permitted directly outside the meeting room one hour before the event and must be removed immediately after.
- Signage is not permitted in the hotel lobby or public areas except for directional signage provided by the venue.

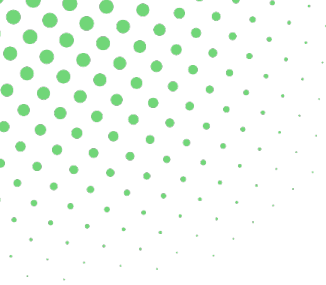

We appreciate your cooperation in maintaining the integrity and reputation of The MedTech Conference. If you have any questions or need more assistance, please contact us. We look forward to collaborating with you to deliver an exceptional experience for all attendees.
