

Unlock the Future of Medtech in San Diego

themedtechconference.com

The MedTech Conference is the leading global medtech gathering, bringing together executives, startups, and key decision-makers for four days of cutting-edge insights, business partnering, high-impact networking, and world-class education. Join us as we celebrate AdvaMed's 50th anniversary, marking five decades of industry leadership and innovation. Be part of medtech's most influential event—where the industry's past, present, and future come together.

The MedTech Conference Features 4 Days Of...

EDUCATION

Enjoy hundreds of sessions and speakers dedicated to AI, digital health, imaging, patient health, and critical industry trends across 20+ topic areas, alongside exclusive access to hundreds of company presentations.

EXHIBIT HALL EXPLORATION

Explore the dynamic Medtech Campus, featuring 300+ companies showcasing what's next in medtech, innovative solutions, and the latest advancements driving the future of health care.

PARTNERING & NETWORKING

Access medtech decision makers including top CEOs, innovators, and industry changemakers via our 1x1 partnering platform, on-site meeting spaces and curated networking events.

Why Attend The MedTech Conference?

1. Access Industry Leaders. Network with thousands of subject matter experts and decision makers throughout the education program, exhibit floor and partnering.

2. Research and Innovation. Innovators from the most recognizable companies and the most promising startups showcase their latest technologies here.

3. Interactive Company Stages. The perfect setting for learning about groundbreaking ideas that support the development of life-changing technologies.

4. Seek Startup Financing. Access 200+ medtech investors, including VCs, banks and strategic investors.

5. Valuable Industry Insights. Learn critical industry topics and trends from leading experts. Program dives into key issues facing non-U.S. medtech companies seeking to launch products in North America and globally.

6. Access California's Innovative Community. San Diego is home to a vibrant venture capital and private equity scene, with a thriving investment community.

Opportunities for Global Delegates

Take advantage of special provisions for international delegation organizers and individual company delegates from your country or region:

- **Save on registration:** Delegation organizers may contact international@advamed.org for information about special rates for your delegation.
- **Showcase your company or country:**
 - Participate via a country pavilion in our [Medtech Campus \(exhibit hall\) opportunities](#).
 - Send us information about medtech in your country for inclusion on our conference web site.
 - Sponsor the Day One Program, Doing Business Globally, for an opportunity to present on investment opportunities and/or an overview in your country's medtech ecosystem.
- **Connect with our host community:** Our partners in California want to meet you and your delegates! Arrive early and stay late to visit the vibrant medtech hubs located all over the country.

Join us in San Diego for 4 days of education, networking, an action-packed medtech campus, and partnering with thousands of medtech innovators.

Contact Kara Nelson (kara.nelson@advamed.org) for more information.
