What is The MedTech Conference?

Where Medtech Innovates

The MedTech Conference, an AdvaMed event, serves as a catalyst for fostering innovation and collaboration within the health care technology sector. The 2025 conference in San Diego, California October 5-8, will bring together the brightest minds in the global medtech community to build a future that benefits patients around the world.

This year's #MTC25 conference comes at a critical time for the medtech industry, building on the success of 2024 to provide you with direct access to over hundreds of hours of cutting-edge medtech education, networking with industry leaders and CEOs, and the latest in medtech technology and innovation. You'll gain timely insights, make valuable connections, and be part of shaping the future of the industry.

About AdvaMed, “The Medtech Association”

As host of The MedTech Conference, AdvaMed is dedicated to delivering the highest quality content and creating a meaningful experience for all attendees. Thank you for being part of our community and helping us unite the medtech ecosystem in impactful ways.

Who Attends?

4,000+ entrepreneurs, academics, qualified investors, venture partners, global policymakers, business development leaders, health care providers, regulatory body representatives, innovators and executives come to The MedTech Conference to engage in critical conversations, discover solutions and amplify their impact. The inclusive environment encourages collaboration among these diverse stakeholders.

The MedTech Conference

Why Attend The MedTech Conference in 2025?

- **It's the Only Event That Brings Together the Entire Medtech Ecosystem:** CEOs, policymakers, investors, startups, regulators, and global delegations all participate—creating unmatched cross-sector value.
- **Hosted by the Global Leading Voice for Medtech:** Hosted by AdvaMed, The Medtech Association, the event offers exclusive access to FDA, CMS, and other key decision-makers—making it uniquely positioned to influence policy and shape the future of health technology.
- **Built for Business Outcomes:** Whether you're looking for investors, customers, or partners, the conference offers structured opportunities to connect and close deals—from curated 1x1 meetings to institutional investor forums.
- **Global Reach, Strategic Focus:** Delegations from Europe, Asia, Latin America, and across the U.S. attend to explore partnerships, market entry, and technology exchange.
- **Innovation Spotlight at Every Level:** From early-stage pitch competitions to the Medtech Campus showcase and major product launches, it's where the latest breakthroughs are seen, tested, and discussed.
- **Not Just Another Trade Show:** Unlike broad healthcare expos, this is a purpose-built leadership forum that blends business, policy, and technology—focused solely on advancing medtech.
